PROFILE SUMMARY

Fresher Java Developer with hands-on experience in Java, Spring Boot, REST APIs, Hibernate, and MySQL. Developed backend applications including Student Management System using Spring Boot and MVC architecture. Quick learner, problem solver, and eager to contribute to real-world software projects.

Skills

- Java Programming (DSA)
- OOPS Concept
- Collection
- Exception Handling
- Hibernate, Spring / SpringBoot
- Spring MVC
- RESTful APIs
- MVC Architecture / Maven
- JDBC, Servlet, JSP
- SQL & MYSQL
- IntelliJ IDEA / eclipse / STS Tool
- C#, C# Programming

PROJECTS

Project title :Student Management System

Technologies Used :Spring Boot, Spring MVC, Spring Data JPA, Hibernate, MySQL, Thymeleaf,

- Developed a Student Management System using Java and Spring Boot following MVC architecture.
- Implemented CRUD operations for managing student records using Spring Data JPA and Hibernate.
- followed MVC architecture, Spring MVC and followed layered architecture (Controller, Service, Repository).
- Designed responsive UI using Thymeleaf, HTML, CSS, and Bootstrap.

Project title :Hospital Management System, Hotel Reservation System (Console-based)

Technologies Used :Java, OOPs Concepts, Exception Handling, JDBC

- Designed and implemented two console-based projects, Hospital Management System and Hotel Reservation System, using Java, OOPS, and JDBC, showcasing skills in database interactions and application development.
- Hospital Management System: Managed patient records, doctor information, and doctor Availability.
- Hotel Reservation System: Enabled room booking, get room id, and reservation management.

Project title :Creative Login and Registration Form

Technologies Used :Servlet, Jsp, JDBC, HTML, CSS

- Creative Login and Registration Form (Servlet, JSP, JDBC, HTML, CSS)
- Implemented user registration, login, and authentication functionality.
- Utilized JDBC for database interactions and ensured password security.

EDUCATION

- Completed Bachelor of Arts (BA) in 2022 from Guru Nanak Khalsa College with aggregate 8.13 CGPA
- HSC
Completed HSC in Science from Chembur
- Karnatak College in 2017 with aggregate 44.62 %
- SSC
Completed SSC from Vinay High School with an aggregate score of 63.40 %

CERTIFICATE

- Completed Java Full Stack Development Course From Jspider/Qspider Institute of Thane.

STRENGTH

- Quick Learner – Able to grasp new technologies fast
- Good knowledge of Java, Spring Boot, SQL
- Positive Attitude & Eagerness to Learn
- Ability to Work in a fast-paced environment and manage multiple tasks effectively.
